Back of quilt can be piece of fabric. Sheets work well. Filler is not needed unless quilt is of very light-weight fabrics. If filler is needed keep it lightweight - use a sheet or some flannel or cotton fabric - NO batting. Most quilts go to very warm climate areas. Each quilt is "one of a kind", with a beauty all its own, made as a gift of love by caring people, given for warmth and hope to those in need. God's way to tie HIS people together!
